Niyazi Ayaz tarafından 1977 yılında temelleri atılan Cihan, tüketicilerine her tadımda mutluluk vadeden uluslararası bir marka olarak faaliyet göstermektedir.

Konya'da Piri Mehmet Paşa çarşısında küçük bir atölyede üretime başlamasından bugüne dünyanın dört bir yanında 70'in üzerinde ülkeye ihracatın yanı sıra, başarılı şekilde büyüyen yurt içi operasyonları ile Cihan, Türkiye'nin lider gıda şirketlerinden biri oldu. 20.000 metrekarelik üretim tesisleri ve 200'ün üzerinde çalışanı ile üretimine devam eden Cihan, kalite anlayışından ödün vermeden Türkiye'de ve dünyada pazar Ar-Ge trendlerine uygun inovasyonları gerçekleştirmeye devam etmektedir. Her biri lezzet dolu anlar sunan markaları, çikolata, şekerleme ve gofret kategorilerinde geniş bir ürün yelpazesi oluşturuyor. Bu anlayışla devreye aldığı gofret, top gofret ve çikolata kaplı karamel hatları ile ürün çeşitliliğini artırırken üretim kapasitesini 50.000 kg/gün seviyesine taşımıştır. Oddie markası çatısında topladığı bu yeni ürünleriyle kaliteyi en üst seviyeye taşımıştır. Cihan lezzetleri bugün, Türkiye'nin ve dünyanın dört bir yanında milyonlarca insana ulaşıyor.

Cihan, sürdürülebilir üretim ve sürdürülebilir çevre yönetimiyle üretim dışı atıkları geri dönüşüm lisanslı firmalara aracılığı ile çevreye saygılı üretim anlayışı doğrultusunda bertaraf etmektedir. Yenilenebilir enerji konusunda sektöründe öncü firmalardan olan Cihan, güneş enerjisi yatırımı ile kendi enerjisini üretirken kullanım fazlasını da Türkiye ekonomisine kazandırmanın haklı gururunu yaşıyor.

CIHAN, whose foundations were laid by Niyazi Ayaz in 1977, continues its activities as an international brand that promises its consumers happiness in every bite.

Cihan has become one of the leading food companies in Turkey with its successfully growing domestic operations as well as exporting to over 70 customers all over the world since it started production in a small workshop in Piri Mehmet Pasha bazaar in Konya. Continuing its production with its production facilities of 20,000 square meters and over 200 employees, Cihan continues to realize innovations in line with market R&D trends in Turkey and in the world, without compromising its quality understanding. The brands, each of which offers moments full of flavor, create a wide range of products in the chocolate, confectionery and wafer categories. Without compromising its quality standards, it increased its product range with the wafer, wafer balls and caramel coated chocolate lines, and increased its production capacity to 50,000 kg/day. The Oddie brand has brought the quality to the highest level with these new products gathered under its roof. Cihan flavors reach millions of people in Turkey and all over the world today.

With sustainable production and sustainable environmental management, Cihan disposes of non-production wastes through companies with recycling licenses, in line with an environmentally friendly production approach. Cihan, one of the leading companies in the sector in renewable energy, is proud of generating its own energy with solar energy investment and bringing surplus usage to the Turkish economy.

“

Bir gülümseme, bir dokunuş,
bir başlangıç, bir anı...
Hayatın en tatlı anları
hep hatırlanır. Çünkü onlar
bize yaşadığımızı hatırlatır.
Hatırlanacak nice zamanlara,
paylaşacağımız nice tatlara...

A smile, a touch,
a new beginning, a moment...
Sweetest moments of life
always remembered. Because they
remind us that we are alive.

”
